

# OMELIANETS BOHDAN

## JAVASCRIPT/REACT DEVELOPER

REMOTE LVIV

### ABOUT

I am a dedicated Front-End developer with 3 years of hands-on experience in crafting web applications. My skill set includes popular front-end libraries and frameworks, such as React, Redux, and Next.js. As a quick learner with strong analytical skills, I continuously expand my knowledge through self-education to deliver user-centric, cross-platform solutions.
